In compliance with the duty of disclosure under 37 C.F.R. § 1.56 and in accordance with the practice under 37 C.F.R. §§ 1.97 and 1.98, the Examiner's attention is directed to the documents listed on the enclosed Form PTO/SB/08A.

The listed International Search Report which issued in the corresponding International PCT application, cited six (6) U.S. references which the Examiner has already considered (as noted in Form PTO 892 in the Office Action dated September 15, 2004), and two (2) U.S. references which the Examiner may not have considered, copies of which are enclosed for the Examiner's consideration.

This Information Disclosure Statement is being made under 37 C.F.R. §1.97(c), i.e., subsequent to the mailing of the first Office Action on the merits and before the mailing of a final Action or a Notice of Allowance, and is accompanied by the following statement under 37 C.F.R. §1.97 (c)(1):

Each item of information contained in this Information Disclosure Statement was first cited in a communication received from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

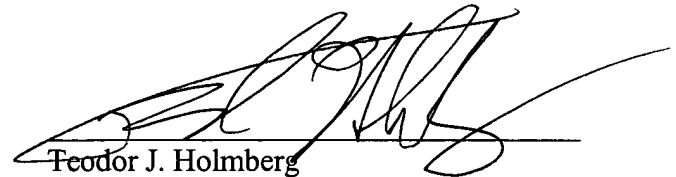

In accordance with 37 C.F.R. §§1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed as a representation that a search has been made or that information cited is, or is considered to be, material to patentability as defined in §1.56(b), or that any cited document listed or attached is (or constitutes) prior art. Unless otherwise indicated, the date of publication indicated for an item is taken from the face of the item and Applicant reserves the right to prove that the date of publication is in fact different.

It is respectfully requested that the enclosed information be considered by the Examiner and that a copy of the enclosed Form PTO/SB/08A be returned indicating that such information has been considered.

Because this Information Disclosure Statement is being filed in accordance with 37 C.F.R. §1.97(c)(1), a check for the \$180.00 fee under 37 C.F.R. §1.97(p) is enclosed; however, if any additional fees or charges are required at this time in connection with this application, please charge them (and credit any overpayment) to our Patent and Trademark Office Deposit Account No. 03-2412.

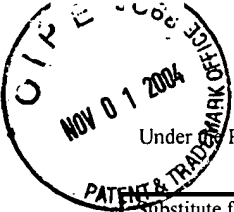

Respectfully submitted,
